

## WHAT?

Kids' Market is a huge kids/baby items & clothing sale that happens in the Spring & Fall in Dothan, AL. We are looking for sellers & shoppers for the Spring/Summer 2010 sale!

For SELLERS, it's an easy way to earn extra money for your nearly-new & gently-worn children's items, gear (ex-strollers & swings) & maternity wear. It's *much easier* than a garage sale & *more profitable* than a consignment shop. Simply bring the items you want to sell to Kids' Market & we sell them for you!

For SHOPPERS, it's also a great place to shop for your family. We have clothing show & brand name items that are in excellent condition & sold at incredible prices!
